## Jon Wicks, World Chief Instructor

It gives me great pleasure to welcome you all to the beautiful city of Athens for our 12th WIKF Global Cup. It was right here, back in 1993, that we held our very first Global Cup, so it's a real joy for us to return to Athens for this prestigious event.

A heartfelt thank you to **Mr Angelos Gorgas**, Chief Instructor WIKF Greece. My thanks also go to **Renaissance Hellas S.A.** and **Mr Antonis Kontaris** for managing all the land arrangements—hotels, transportation, and tours—connected with the WIKF Greece event.

I would also like to thank the President of the Organising Committee WIKF Greece, **Mr Georgios Kypreos**, and the General Secretary, **Mr Michael Giannopoulos**. And finally, my appreciation to **Mr Ioannis Skouras**, Assistant Manager of Dais Sports Hall, for his invaluable support.

To all our table officials and volunteers—thank you for your dedication and hard work. And to all our referees, a very big thank you; your professionalism and commitment make this tournament possible.

Lastly, I want to extend my best wishes to every athlete competing this week. May you compete with determination and the true spirit of our founder, Sensei and friend, **Tatsuo Suzuki**.

Thank you to all family members and friends who have travelled to be here and to support our competitors. I hope you enjoy your time here in Athens and carry home lasting memories of this special event.

**Jon Wicks**  
**World Chief Instructor**

**Mathieu Beysen.**

## **World/European President WIKF**

As president of the **WIKF**, I am very honored to welcome you all here in beautiful **Athens**.

I would like to thank **Sensei Angelos** and his team for organizing this event and wish them every success with the organization off the global cup.

I would also like to thank the organization on behalf of the **WIKF** board for their dedication and hard work in making this championship even more special.

**WIKF** championships are not ordinary championships where people go home after a match. as in any other championship.

They compete for podium places over three days.

Before that, there are the important training sessions given by **World Chief Instructor Sensei Jon Wicks** and the **World Technical Committee** to train together, the Sayonara party at the end of the competitions to fraternise with each other and make lifelong friends.

This characterises our karate style and the wish of our great teacher and master the late O **Suzuki Sensei**.

**I wish everyone good luck and a pleasant stay in beautiful Athens.**

**World/European President WIKF**  
**Mathieu Beysen**

**Dear WIKF Family,**

It is with great joy and excitement that I announce the **12th WIKF GLOBAL CUP** in **Greece** – the birthplace of the **Olympic Games!**

The very first **WIKF World Cup** was held in **1993**, and now this unique event takes place here in **Athens**, bringing together tradition, spirit, and passion.

**On 21–25 October 2026**, we will gather to train, compete, and celebrate in the true **WIKF** way. This tournament is not only about fighting – it is about sharing, growing, and becoming stronger in what we all love most: Wado Karate.

This year we also honor **33 years of WIKF World Cup** history, and I look forward to celebrating this milestone with each and every one of you.

My team and I are dedicated to making this event unforgettable, filled with friendship, **respect**, and the energy that unites us as **WIKF**

**I truly look forward to welcoming you all to Athens.**

**“Άγε...δῆ” - Let the Games begin!**

**Best regards,**

**Angelos Gorgas**  
**World Technical Committee WIKF**
